

✂ GRASSY EGG CUP HOLDER

how-to
ideas!

MATERIALS NEEDED:

Moss 8 1/2" x 11" Text Paper • Sage 8 1/2" x 11" Text Paper • Curry 8 1/2" x 11" Text Paper
Medium Adhesive Pearls • 7 Point Shape Hole Punch • Double Stick Tape • Bone Folder • Scissors

INSTRUCTIONS:

Cut strips of moss and sage paper to approximately 2" x 11". Use grass template to cut out blades of grass or cut freehand. Take one strip of moss grass and sage grass and loosely coil to allow room for an egg to fit snugly inside. Secure outer and inner strips of grass with double stick tape. Curl ends of grass outwards with a bone folder. Decorate base of grassy egg cup holder with a curry flower, using the 7 point shape hole punch, and doublestick tape to adhere to egg cup. Embellish the center with a pearl.
