

✂️ RED & WHITE STRAW WREATH

how-to
ideas!

A. ADHERE STRAWS WITH GLUE FLUSH TO THE CENTER
EDGE OF THE WREATH FORM

MATERIALS NEEDED:

Small Bookboard Wreath Form • 1 Box Red Stripe Paper Straws • 1" Satin Ribbon • Hot Glue Gun • Hot Glue Sticks • Scissors • Ruler

INSTRUCTIONS:

Cut 50 straws down to 6 1/2" long. Apply a dab of glue near the center of the wreath form and adhere a full-length straw so that the end is flush with the center edge of the wreath form (A). Continue alternating cut, and full straws, around the wreath form with dabs of glue until it is completely covered. Remove any hot glue threads from the wreath. Tie a bow using the Clover ribbon and glue it place. To hang, glue a small loop of ribbon to the back of the wreath form.
