ideas!

MATERIALS NEEDED:

Paper Mache Skull Mask • White Acrylic Paint • Floral Stickers • Patterned Washi Tape • Stickles Glitter Glue • Black Water Based Sharpie Pen • 1/4" Ribbon • 1" Poly Brushes
Heavy duty 1/8" Hole Punch • Scissors

INSTRUCTIONS:

Paint mask using poly brush and white paint. Allow to dry and paint a second coat. Once dry, use black Sharpie pen to outline eye and cheek hollows. Using the shape of the teeth as a guide, outline the mouth in black Sharpie pen as well. Draw circles, dots and lines as desired to decorate mask. Add color and flair to mask by layering patterned washi tape and flower stickers. Use Stickles glitter glue to add sparkle to your design. Allow Stickles to dry. To hang mask, use heavy duty 1/8" hole punch to make a hole on either side of mask, approximately halfway between eyes and cheeks. Thread a length of ribbon through holes making knots on the front of the mask to secure.
