Clover Garland

MATERIALS NEEDED:

Clover Die Cuts • Ecowhite 2.5" Label Sheets • ¼" Hole Punch • 1" Wide Moss Satin Ribbon

INSTRUCTIONS:

Using the font of your choice (we used AdLib BT), print H-a-p-p-y-S-t.-P-a-t-r-i-c-k'-s-D-a-y-! onto 2.5" labels. Peel and stick each label onto a clover shape. String together with 1" wide ribbon by punching two ¼" holes at the top of each letter. Hang all together in one sweep or in three parts. Good Luck!
