

A.

CUT, FRINGE, PUNCH &
LAYER CIRCLE SHAPES

MATERIALS NEEDED:

Patterned Fine Paper in 3-4 different colors & patterns • 8 1/2" x 11" Text Paper in 2-3 colors • 1 Sheet of Cover Weight Paper 26" x 20"
Circle Hole Punches (we used 2", 2" Scallop, 1", 1/2" and 1/4") • Scissors • Pencil • Double Stick Tape • Foam Squares • Frame (optional)

INSTRUCTIONS:

To create the backer for your fine paper creation, trim large sheet of cover weight paper to desired size. If framing, trim to fit inside frame. Use sheet of flower shapes to trace and cut petals from fine papers. Layer shapes to create blooms, mixing and matching patterns and colors. When adhering shapes together, use both double stick tape and foam squares as desired to create dimension. Create centers of blooms by punching circles in a variety of sizes and colors. Cut, fringe, punch and layer circles (A). Adhere center in place. Arrange blooms as desired onto backer and adhere composition in place.
